**Suggested child protection language for institutional websites:**

{This organization} is a proud participant/supporter/signatory of the International Task Force for Child Protection (ITFCP) new standards for child protection.

The Expectations of {this organization} are based on the following principles: • All children have equal rights to be protected from harm and abuse. • Everybody has a responsibility to support the protection of children. • All schools have a duty of care to children enrolled in the school and those who are affected by the operations of the school. • All actions on child protection are taken in the best interests of the child, which are paramount.

As such, we support an ethos of protection for all our schools and partners. Resources related to institutional child protection programs may be found at [EdPortal.ICMEC.org](#).
